Sunrise Special Services Foundation Announces the Launch of Lake County Emergency Warming Shelter

Lake County, California – The Sunrise Special Services Foundation (Sunrise) is proud to announce the launch of the Emergency Warming Shelter (EWS) located at 1111 Whalen Way, Lakeport, CA. The EWS is a 35 bed adult congregate shelter, designed to provide warm and safe shelter for people experiencing homelessness in Lake County. The hours of operation are 4pm to 8am, 7 days/week. The shelter is scheduled to officially open its doors on February 14th and will offer a range of essential services to help people get back on their feet.

The EWS will provide a warm and welcoming space for people in need of shelter, offering access to basic necessities such as dinner, shower, bed, breakfast and bag lunch. Our dedicated staff will work tirelessly to provide supportive and compassionate care to each individual that enters our doors.

We are currently hiring for several positions. If you are passionate about helping others and want to make a difference in the lives of people experiencing homelessness, please visit our website for more information on job opportunities and how to apply.

We are also looking for community volunteers and partners who are interested in supporting our mission. We believe that by working together, we can make a real impact in the lives of those in need in Lake County.

The Emergency Warming Shelter will be hosting an opening ceremony on February 14th between 10am to 12 noon. This will be a celebration of the new shelter and an opportunity to learn more about our mission and the services we will be offering.

Please stay tuned for more information on the opening ceremony and the services offered at the EWS. You can follow us on Facebook and visit our website for the latest updates.
